**The Punishment for Eating My Fritos"**

Talk not with me  
I hang thy bosom from a tree  
fasten your erect nipples down  
with a stainless steel Dentist's Crown  
make they vaginal lips shrink in fear  
to allow the mighty Fuckengine clear...  
to part those cringing labia

with Greyhound bus  
I'm not so dumb  
to make those Dominated juices  
soak the tourists on river cruises.

for your every Orgasmic Need  
saying as I lick with a grin  
"If you didn't like Sin,you should not have let me begin
